FOOTBALL TOUR 2026

Terms and conditions

Payment terms and cancellation policy

- Upon reservation: 30% of the total amount deposit
- 2 months prior to departure: balance of payment due and rooming list (with full names as they appear on passports, date of birth, gender, nationality, passport number and passport expiration date)

Please note:

- Payments are by wire transfer only (the contractor of the services will pay the transfer fees).
- Missing payment deadlines may result in loss of reservations. In that case, we would have to book new reservations with hotels and other suppliers, which may result in higher costs, especially in the case of a missed final payment at least 2 months before departure.

Cancellation fees

For trip cancellations received in writing, there will be a refund minus the applicable cancellation fee, as follows:

- Up to 2 months prior to departure: cancellation fee of up to 30% of tour cost, per person
- Less than 2 months prior to departure: cancellation fee of up to 100% of tour cost, per person
- We have flexibility from the suppliers for a limited number of individual cancellations up to 2 months prior to departure. However, we have little flexibility should the entire group cancel at any time before or after that date. Finally, in all cases, group or individual cancellation fees are closely observed for any cancellations after 2 months prior to departure.
- The cancellation fees should be assumed to be 30% and 100% respectively. We say “up to” because Evencias would endeavor to retrieve as much money as possible from service suppliers, such as hotels, transportation companies, etc., possibly resulting in lower cancellation fees than those indicated. However, it would be better to assume that the cancellation fees would be as stated.

- Should a tour participant cancel the rest of his/her trip and return early at some point after departure, that any unused travel services would be non-refundable. Any additional costs resulting from the early return would be the responsibility of the traveler.
- Cancellation fees may be reduced or waived at the discretion of service suppliers, such as the hotels and other companies providing services for your tour. Generally, this would include only extreme or unusual situations such as hospitalization.
- Insurance coverage against cancellation is recommended.

Notes

- We can adapt the itinerary we propose to your needs: you can add or remove activities as you wish and the price will evolve.
- Tour price is based on the current US dollars/Argentinian pesos exchange rate. Price may vary if the exchange rate were to change significantly prior to receiving your tour deposit.

Responsibility

Evencias has taken all reasonable steps to ensure that the suppliers contracted for services during your trip are efficient and reliable and they maintain high standards. If unforeseen conditions beyond our control necessitate changes, Evencias reserves the right to make changes to the itineraries and substitute the best alternate available. We act only as an agent for the passenger in all matters connected with accommodation, dining services, transportation, etc. As agent Evencias holds itself free of responsibility for any damage, expense or inconvenience caused by delayed or cancelled transportation services, changes of schedules, strikers or conditions beyond our control.

Inclement weather

In the event of a sporting event or fixture being deemed unplayable due to weather conditions, every attempt will be made to reschedule the game(s) at a later date in the tour.

Traveling supporters, parents or siblings

Traveling supporters, parents or siblings are more than welcome to join the tour group. The land package price will be the same as the main group unless special requirements are made with Evencias. A registration form along with a 30% deposit will be required for each traveling supporter.

Group Size

All tours pricing is based on a minimum of 15 travelers. If the group size falls below this number the group may be subject to an additional charge to cover transportation fees, etc. This additional fee will be waived if the group can be combined with another group.

Passports and visas

Passports are required for all Evencias programs.

Payments made to Evencias are non-refundable in the case of not being able to enter the country due to lack of compliance with the entry and exit requirements for adult and children to the country of destination or lack of compliance with the requirements requested by your country. It is the responsibility of the service contractor, and the group with whom he/she will travel, to contact the closest consulate and/or government agency to their city to be informed of all mandatory requirements. These legal requirements are the sole responsibility of the parents and the service contractor and do not correspond to Evencias.

Evencias Travel Director

Evencias will provide a fully qualified and experienced bilingual 'Travel Director' to accompany each group that travels with Evencias. The Evencias Travel Director is responsible for all group logistics for the duration of the tour. The Travel Directors are guides for the group and are by no means acting as chaperones for each traveler. If there are any concerns by the parents for family member travelers, Evencias strongly suggests then that at least one parent travel with the family member.

Accommodation/meals

All travelers will be placed in a double, twin or triple rooms when staying in hotels during the tour. Rooming for players is usually based on minimum twin occupancy. Rooming for adults is based on twin occupancy and any single rooms will incur a single room supplement fee, which will be added to your invoice. All such rooming requests must be received no later than 2 months prior to departure.

Travel insurance coverage

Evencias provides information regarding travel insurance to all Evencias travelers and thoroughly recommends that travel insurance is purchased. Individuals are free to contact other travel insurance providers to obtain their own travel insurance coverage. Be advised that the terms and conditions of coverage may vary according to the insurance provider. It is understood that Evencias accepts no liability for damages or cancellations incurred by circumstances that would be covered under trip / travel insurance.

Health

All travelers should have the necessary medical information (i.e. Medical instructions, insurance information, list of allergies, health problems and permission for medical personnel to treat). Medical disbursement should be discussed and agreed upon by Group prior to travel. Special dietary needs should be advised to us at least 30 days prior to departure.

Permission to photograph or videotape

Throughout the year, Evencias may use photograph or video image tour participants with or without identification. If participants do not wish to appear in photograph or videotape, please notify Evencias in writing indicating to which extent you deny such reproduction. It is assumed that parents and guardians consent to their child being photographed or videotaped, no matter by whom taken unless notification is received and agree that no fee would be paid for this.
